

MSCUK LIMITED T/A Medica Stem Cells is registered with the Care Quality Commission to provide the following regulated activities:

-) Treatment of disease, disorder or injury – consultation, examination and treatment.
-) Surgical Procedures

Disability Statement:

We are able to offer access to those patients with wheelchair mobility needs and we do have disabled toilet facilities. Where we are unable to provide services to any disabled patients, we will seek to give details of an alternative provider.

Children:

We advise that children should not be brought to the premises whilst parents or other family members are receiving treatment and if brought against advice, they are solely the responsibility of the parent or guardian.

Consultations & Confidentiality:

Consultations are conducted in private and all information given during consultations remains confidential.

Annual Survey of Patients:

We conduct an annual assessment of the views of our patients in order to inform and improve our service delivery. A summary of the results of this will be available on request.

Access to Health Records:

You have the right to access your records in accordance with the Access to Health Records Act. Please ask for details.

Chaperones:

You may have a chaperone present during any consultation, assessment, treatments or review appointment. If you wish to bring a chaperone, please let us know when booking your appointment.

Contract Details:

We do not use a formal contract for services. Clients may make appointments on an ongoing basis or in some circumstance packages for treatment may be agreed, this would be confirmed in writing prior to commencement of treatment.

Comments, Suggestions & Complaints:

Should you have any comments, suggestions or complaints please raise these initially with practitioner.

If not satisfied you may put your comments, suggestions or complaints in writing to the Registered Person (Pooja Pithadia) at the address below:
