VITAMIN INJECTIONS *INTRAMUSCULAR*

Vitamin intramuscular injections can be integral to enhancing your health and protecting your wellbeing. Vitamin IM injections are a quick and very effective way to address your health goals and wellness and are great for those with busy schedules who want to be in and out in 15 minutes or less.

Vitamin C Injection:

Boost your immune system and promote healing.

Vitamin H - Biotin Injection:

Nourish your hair, skin, and nails for a radiant you.

Vitamin B12 Injection:

Tired and fatigued? B12 injection delivers essential nutrients directly into your bloodstream for rapid results.

Vitamin B5 Injection:

Essential vitamin supports energy production, reduces stress, and promotes overall well-being.

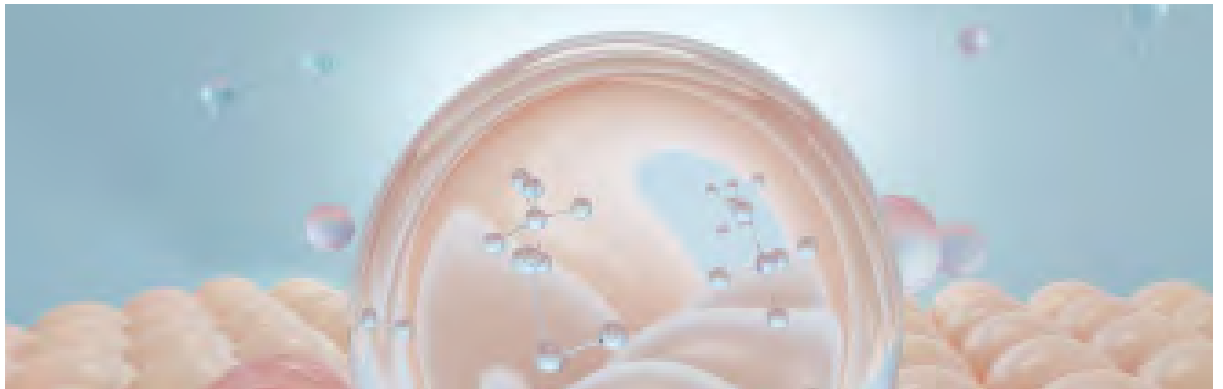

Vitamin B Complex Injection:

Feel the difference with a Vitamin B Complex boost - essential vitamins for optimal health and vitality.

Vitamin D Injection:

Rapid and effective way to replenish your body's vitamin D levels.

VITAMIN IV *PUSH*

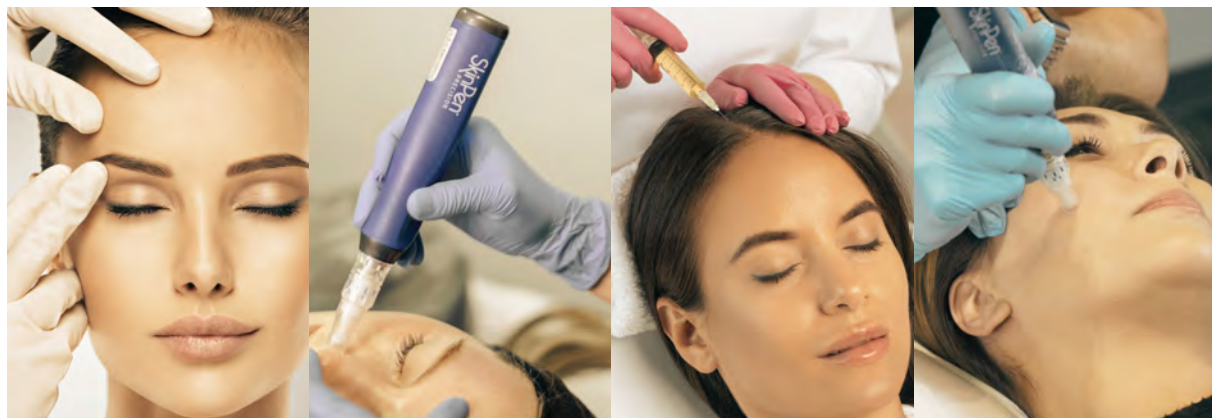

Intravenous Glutathione:

This potent antioxidant helps detoxify your body, enhance skin brightness, and support overall cellular health.

SKIN & HAIR PRP TREATMENTS

PRP (Platelet-Rich Plasma) therapy is a revolutionary treatment harnessing your body's natural healing power. By concentrating platelets from your blood, we create a potent solution rich in growth factors that stimulate collagen production and tissue regeneration.

Microneedling:

Microneedling is effective on a wide range of skin problems, including fine lines, scars, large pores, uneven pigmentation, and dull or uneven texture. We offer treatments with Dermapen & SkinPen.

Hair PRP treatments:

Stimulate hair growth and thickness, as well as protect hair follicles from prematurely shedding.

WHY CHOOSE US?

- Experienced professionals
- State-of-the-art facility
- Personalised care

www.medicastemcells.com

PRP Microneedling:

PRP Microneedling is a cosmetic treatment that stimulates collagen production and is an effective treatment for acne scars, surgical scars, wrinkles and fine lines, large pores, sun damage, hyperpigmentation, and uneven skin texture irregularities.

PRP also promote natural skin healing & rejuvenation.
